CANNOCK EDGE TOOL WORKS,
CANNOCK, ENGLAND.

IN issuing this number of our Catalogue, we desire to thank our friends for their patronage and courtesies shown us in the past, and assure them that our sole aim is to cater to the needs of customers and to merit the same confidence in the future that has been enjoyed in the past.

An international reputation as leaders in the Auger and Edge Tool Business has been won by our wonderful success in designing new patterns, maintenance of quality, and determination to give the best service with practical results.

All Tools are severely tested before leaving our Factory, and the highest grade material and most experienced labour are employed in the production of our goods. In conclusion we beg to say that this Catalogue is the bona-fide product of our own labour and expense, and is copyright.
